General construction practice including project management should follow those detailed in the project plans, proposal, MDOT Standard Specifications for Construction, and MDOT Construction Manual.

An electronic copy of the MDOT Construction Manual is located at: http://www.michigan.gov/mdot/0,1607,7-151-9622_11044_11367---,00.html or by selecting “doing business” from MDOT’s home page at www.michigan.gov/mdot then selecting “Design” and finally “Manuals & Guides”.
